

Wichtige Information zur Maschinenanlieferung | Important information for the delivery of machines

Intec und GrindTec 2023, on 27th of February 2023, Delivery of machines from 7 am

Entry for exhibits and machinery:

The day of February 27th, 2023 is intended exclusively for the delivery of exhibits/machinery. The unloading and placement on 27th of February 2023 will ONLY be carried out with a forwarding contract or a logistics number issued by the exhibition freight forwarder DHL!

Entry conditions:

- Submission of the **exhibitor's forwarding contract or issued logistics number** with the exhibition freight forwarder of Leipziger Messe (**DHL**) for the delivery and placement of exhibits and machinery on the 27th of February 2023 to the exhibition halls
- Copy of the **official stand assignment** of Leipziger Messe GmbH

Entry service partners for floor coverings and suspensions:

Early entry for service partners for the installation of floor coverings (carpet or machine flooring) or the installing of suspensions above the exhibition stands is only permitted in connection with the placement of exhibits/machinery on February 27th, 2023. Entry to the exhibition grounds is possible within the **security deposit policy**.

Cars / Transporters EUR 100.00 (gross, **paid cash** on site) for 120 minutes

If a forklift truck is booked for the unloading, the forwarding contract or the logistics number issued by DHL is required.

Please also note that **no intermediate storage** of stand components etc. is possible at the exhibition area on the 27th of February 2023.

Entry conditions:

- Service **in relation to the delivery of exhibits** on the 27th of February
- **Official stand assignment**
- Entry to the exhibition grounds is permitted within the **security deposit policy**

Regular stand construction is only possible from 7 am on the 28th of February 2023 to 3 pm on the 6th of March 2023.

Please inform your service partners urgently. Thank you very much!
